DECISION GATE 3 ELECTRICITY RATES AND AVERAGE MONTHLY ISLAND RESIDENTIAL CONSUMER BILLS FROM 2017-2030

Interconnected Island (Muskrat Falls) versus Isolated Island Option (Holyrood)

DG3	2017	2020	2025	2030
Interconnected Electricity Rate*	15.2	16.1	16.2	16.6
Interconnected Consumer Bill**	$231	$244	$246	$252
Isolated Electricity Rate*	15.1	16.6	17.8	19.5
Isolated Consumer Bill**	$229	$252	$270	$296

*Rates are in cents per kWh and include: taxes, basic monthly service charge and discount and assumes an an average consumption of 1517kWh/month

** Bills assumes an average consumption of 1517 kWh/month

Notes: The increases between 2011 and 2017 are not related to Muskrat Falls but are a result of projected oil price increases and increasing demand. The above bill projections are for Interconnected Island Customers and does not represent electricity rates or bills for Labrador Interconnected Customers, Labrador and Island Isolated Customers and L'Anse Au Loup Customers.
