

PUBLIC ADVISORY: **Ongoing Snow Clearing Operations on Taylor's Brook Road**

Nalcor Energy advises motorists and snowmobilers of ongoing snow clearing operations on Taylor's Brook Road in Upper Humber.

For the safety of everyone, please use caution in the area. It is important to watch for crews working, respect posted signage and be aware of high snow banks in the area.

Snow clearing is ongoing to facilitate clearing activities for the Labrador-Island Transmission Link being constructed between Muskrat Falls in Labrador and the Avalon Peninsula on the island.
