## 1.0 PURPOSE

The Lower Churchill Management Corporation’s (“LCMC”) priority is health and safety. We take collective pride in our commitment to ensure employees, Contractors, and visitors remain safe while travelling to and from, or while at, our Lower Churchill Project Sites (“LCP Worksites”). LCMC is committed to providing a safe and healthy work and travel environment during a pandemic through proper planning and preparedness measures for the prevention and control of exposure to pathogens including COVID-19.

The purpose of this COVID-19 Release from Isolation/Quarantine Standard (“Standard”), is to support and implement practices to mitigate the risk of contracting COVID-19 by ensuring Personnel who have been required to self-isolate or quarantine have completed and been released from self-isolation or quarantine.

## 2.0 SCOPE

LCMC has the right to grant or deny air travel and bus travel provided by LCMC to and from LCP Worksites and grant or deny access to LCP Worksites. This Standard applies to all Nalcor employees, LCMC consultants and employees, Contractors and sub-Contractors including their respective employees, suppliers, customers, or visitors.

## 3.0 GUIDANCE

Consistent with information from the World Health Organization and Provincial and Federal public health; LCP Health, Safety, Security and Emergency Response (“HSSER”) personnel are consulting with a third party Occupational Health Physician to monitor and update this Standard in accordance with latest information relative to COVID-19 incident management. Referencing current guidance, this Standard has been prepared for Personnel required to use air travel or bus travel provided by LCMC to travel to or from LCP Worksites, or Personnel attending at LCP Worksites.

## 4.0 DEFINITIONS

**Contractor** – Any Contractor engaged by LCMC, or its affiliates, including Subcontractors and suppliers to carry out work at the LCP Worksites.

**LCMC** – Lower Churchill Management Corporation.

**LCMC Employees** – All Employees employed by LCMC and consultants engaged by LCMC to work at any of the LCP Worksites, either through third-party agencies or consultants hired or contracted by LCMC directly. This includes, but is not limited to, full time, part time, casual, term, intermittent, or occasional employees and seconded employees who are either directly employed by or under assignment to LCMC.

**LCP** – Lower Churchill Project.

**LCP Site Access Coordinator** – A person designated by LCMC, responsible for issuing, denying, or revoking Site Access.

**LCP Worksites** – LCP Worksites including Muskrat Falls Generation Construction Site in Labrador, Muskrat Falls Converter and Switchyard in Labrador, Marshalling Yard in Labrador, Soldiers Pond in St. John’s, NL, Torbay Road Project Offices in St. John’s, NL, or any other site designated by LCP.

**Personnel** – Nalcor Employees, LCMC Employees and consultants, Contractors and Subcontractors including their respective employees, suppliers, customers, consultants and visitors working at LCP Worksites or seeking access to LCP Worksites.

**Self-Isolation** – Shall mean any person who has self-isolated or quarantined for any reason including, but not limited to, arriving to Newfoundland and Labrador from outside the Province, having contracted COVID-19, having COVID-19 symptoms as described in the COVID-19 Screening Questionnaire Standard, or as identified from Public Health Officials from time to time, unless having tested negative for COVID-19, having contact with a person suspected to have COVID-19 or who has tested positive for COVID-19, or pursuant to any special orders made pursuant to the Public Health Protection and Promotion Act or as required by the LCP HSSER Manager or designate.

**Site** – LCP Generation Construction Site at Muskrat Falls and any other Site designated by LCMC as restricted and requiring proper authorization to access.

**Site Access** – Obtaining Site access as per the Worker Site Access document authorizing Site Access to various sites.

**Standard** – COVID-19 Release from Isolation/Quarantine Standard.

## 5.0 RESPONSIBILITIES

**LCP Site Manager** – is responsible for the operation of this Standard for Site.

**LCP Site HSSER Manager** – is responsible for assisting the Site Manager for management of this Standard for Site.

**LCP Site Access Coordinator** – is responsible for issuing or revoking of Site Access, working under the direction of the Site Manager and/or HSSER Site Manager.

## 7.0 SELF-ISOLATION REQUIREMENTS

LCMC requires the following:

- i. All Contractors and LCMC Personnel required to Self-Isolate must require such personnel to review and sign the Release from Self-Isolation/Quarantine Resulting from COVID-19 Employee Declaration (“Declaration”), a copy of which is attached as **Appendix “A”**, a minimum of 72 hours prior to commencing work at an LCP worksite.
- ii. All Contractors must provide to the LCP Site Access Coordinator, or any other person designated by LCP, the Declaration for any Personnel required to Self-Isolate returning to work or has been hired to work at LCP Worksites a minimum of 48 hours prior to commencing work on LCP Worksites. Failure to provide the executed Declaration for any Personnel may result in access to transportation, including air charter and buses provided by LCMC be denied and Site access being denied.

## 8.0 COMPLIANCE AUDIT

Contactors agree that if requested, in writing by an LCMC Health and Safety Representative, to provide copies of the Declaration executed by Contractor Personnel for the purposes of ensuring compliance with this Standard, and for the health and safety of all Personnel travelling to, from, and while working at LCP Worksites.

## 9.0 AMEND OR REVOCATION OF STANDARD

LCMC reserves the right to amend or revoke this Standard, a portion of this Standard, or Appendix to this Standard at any time.
